Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: A call was made to Mr. Timothy Keefer (Reg. No. 35,567) on Monday, 30 January 2006 to inform him that a response to the final Office action mailed on 01 July 2005 has not been received. The examiner spoke with someone in Mr. Keefer's office regarding this matter, who was going to verify whether or not a response to the Office action has been filed and call the examiner back with this information. As of the date of this letter, the examiner's call has not been returned. Several attempts have been made by the examiner to notify Mr. Keefer of the fact that no response to the final Office action has been received..
